HERITAGE CLASSIC™ \$\$\$
Contemporary Designs

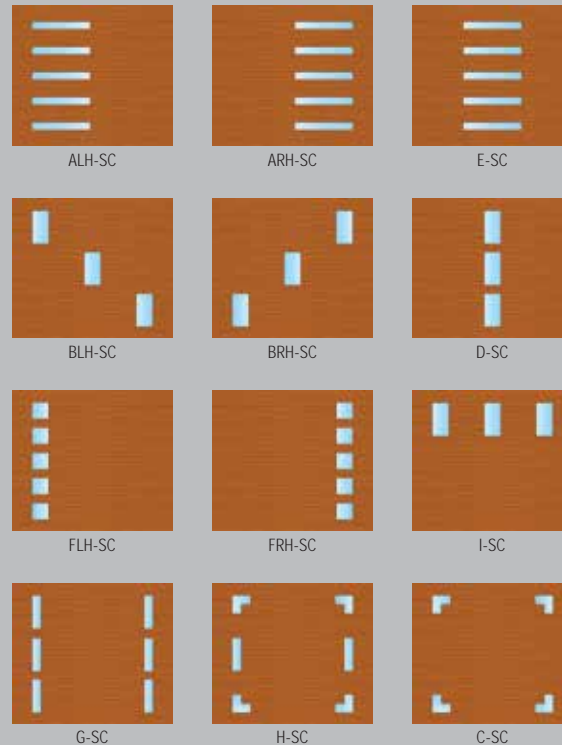

Wood Insulated

Heritage Classic, C-Series Custom Design, Western Red Cedar Face, Finish by Others

Custom **HANDCRAFTED** contemporary style wood garage doors. We offer a large selection of woods including Western Red Cedar, Meranti, Redwood, Sapele, Vertical Grain Fir and other select woods. Choose from our design selection below or we can manufacture to your design, material and/or size specifications. See our selection of glass at www.northwestdoor.com or we can special order your specified glass. Custom scaled drawings are always available upon request at no charge from Northwest Door. All wood doors are unfinished from the factory.

Designs below represent 8'x7' single car doors.
